

CAPITAL CHAPTER OF IFMA Washington, DC

2008 Capital Chapter of IFMA Golf Classic & Calvert Jones Crab Feast

The 2008 Annual CCIFMA Golf Classic and Calvert Jones Crab Feast was a complete success! Nearly 168 golfers enjoyed the Potomac Ridge Golf Course set of three nine-hole golf courses. There were 32 players who placed for a trophy and gift card prize in four flights, as well as eight players who won individual contest hole prizes. The event offered something for everyone and an additional 40 people joined in for the crab feast, which began at 4:00pm after the golf outing took place.

All players received a “sling bag,” sponsored by Emcor Services Combustioneer Corp., filled with items from Bentley Prince Street, Fanelli McClain Design, Millicare by EBC Carpet Services, CORT, A&L Service Industries, Calvert Jones, Logorific, Minkoff Company, Inc., and American Furniture Rental. All players also received a certificate for a free club sponsored by Heritage Landscape Services and a Pint Glass sponsored by MilliCare by EBC. Lunch for all players was sponsored by OLS Liquidating Advisors.

The day started with morning coffee provided by Royal Cup Coffee, practice at the driving range, and putting contest run by the Community Service Committee. The money earned from the putting contest was donated to the So Others Might Eat – Center for Employment Training (SOME/CET) program. Barry Mark was the winner of the putting contest with 2 out of 5 20-foot putts. As the winner of the contest, Barry received a TV donated by Aaron Rents.

The weather was fantastic, but hot, and all were refreshed with complimentary beverage carts sponsored by CORT and JK Moving & Storage, Inc. Many were challenged on four of the par 3 holes, which had the opportunity of a fantastic prize with the Hole-in-One contest, sponsored by Minkoff Company, Inc.

Foursome pictures and frames were provided to all players and sponsored by Bravo! Facility Services, LLC.

Tee hole sponsors included Emcor Services Combustioneer Corp., Royal Cup Coffee, CORT, Bravo! Facility Services, LLC, Herman Miller, Kimball Office, AVI/SPL, Mancini Duffy, MilliCare by EBC, Bentley Prince Street, Genesis Security Systems, LLC, Commercial Carpets of America, CMI, AFR, Chasens Business Interiors, Korth Abramson Construction, Conn-Sulting, Inc., Corporate Care, and GigaBiter.

The event wouldn't be complete without the Crab Feast sponsored by Calvert Jones. Even those CCIFMA members and friends who don't play golf attended and had the opportunity to hone their golfing skills at a 2-hour NIKE golf clinic. Ten attendees participated in the golf clinic and Dee Jeter of Signature Space was selected by the teaching pro as the “Most Improved.” Participants in the clinic expressed what a great learning experience it was for the cost, and we encourage our beginner golfers to sign up for this activity next year. The clinic was made possible by Gali Service Industries, Inc. As usual for a CCIFMA event, fabulous raffle prizes were awarded. Prizes were provided by Natural Lawn, Signature Space, Atlantic Golf, Office Movers, Inc., V&F Office, Price Modern, Avio Galleries, Guest Services, Filterfresh Coffee Service, Inc., Heritage Landscape Services, and American Furniture Rental.

At the end of the day attendees enjoyed seated massages, sponsored by Gilbane Transition Planning and Management, along with espresso coffee supplied by Filterfresh Coffee Service, Inc.

Special thanks to FastSigns of Bethesda for the fantastic signage! And an extra special thanks to the Community Service Committee and Wendy Shapiro for their efforts!

This chairperson couldn't be more appreciative of the generosity of the sponsors and the dedication of the Special Events Committee.

Hit 'em long and straight....
